

The Hardest Thing Ill Ever Do

In *The Hardest Thing Ill Ever Do*, Linda Guebert shares her personal grief journey following the sudden death of her husband only nine months after they were married. At times heartrending, occasionally funny, her compelling account moves us through sorrow, anger and despair to renewed hope and commitment to life. A powerful story of healing and personal growth, *The Hardest Thing Ill Ever Do* is a valuable resource for those who have suffered the loss of someone they love and for those who strive to understand grief and offer support to others.
