

Move to Strike (Nina Reilly Series)

Nina is not sleeping much these days. She's recovering from a great loss, haunted by a killer who may still be tracking her, and working on a tough new case. Her client is a sixteen-year-old girl charged with first-degree murder. Nikki Zack is a rebel, a thief, and the best friend of Nina's son, Bob. Did she steal something from her uncle, a prominent plastic surgeon, and then kill him with an ancient samurai sword? To help find out, Nina calls in private investigator Paul Van Wagoner, her ex-lover and constant ally, whose bravado doesn't betray his own sleepless nights. As they work through the twisting lies surrounding Nikki, it becomes brutally clear to Nina that she must pull an ace out of her sleeve in the courtroom to save her client, and solve the mystery surrounding Paul to save herself.
