

Erotica: Menage: Stepbrother: Soldier And Ballerina (Military Romance Suspense) (New Adult Contemporary Short Stories)

Can the moral values be stronger than unconditional love? On leave and suffering from PTSD, Navy SEAL veteran Jason has retreated to a small town where he can fight and drink his demons away. He hasn't spoken to his step-sister Emma in many years so he is surprised when he receives a phone call from her asking if she could stay for a few days while her ballet tour performs in the town. Can Emma help Jason find the light inside himself again? And whilst doing so will they acknowledge the passion growing between them? Plus a special steamy bonus is waiting for you after the main story! This book is intended for adult readers only.
