

## No Box Needed

No Box Needed relates the account of how Dr. Todd Horton came into relationship with the God of Abraham, Isaac, and Jacob and his personal journey. We should always be open to learning all that God can teach us. Dr. Todd Horton has grown in his relationship with God and found that it is important to stay open. God has much to teach us if we will remain moldable. Dr. Todd Horton encourages everyone to take advantage of the opportunity to be entirely filled with the presence of God.
