

Freshman Feint (A Straight College Guys Novella)

My best friend is the only man for me and hell never be mine. I can't have him. I'm Liam. My freshman year at college is giving me a tough time. It's not just the classes, it's knowing I'm in love with my straight best friend, Nathan. I can't leave him. We've been friends forever, and that means I have to help him get ready for his date with Charlotte, the girl we know from high school. It kills me to think he'll never feel the same way about me that I do about him. Unless something changes. Owen, the guy from my hockey team, is into me and maybe it's just my imagination, but that seems to bother Nathan. Is there really a chance for us, or am I just kidding myself? Freshman Feint is a 21000 word new adult contemporary MM romance novella with no cliffhangers and a HEA. It's the first of the Straight College Guys series, but can be read as a standalone. Recommended for readers 18+ due to mature themes and explicit content.
