

Headwinds: The Flying Burgowski Book Two

On idyllic Dalby Island in Washington State, Headwinds picks up the story of fourteen year-old Jocelyn Burgowski, an otherwise normal girl who just happens to be a Flyer. But now, someone wants to bring the Flyer down. Where The Flying Burgowski focused on Jocelyns discovery of her powers of flight, and her struggle to redeem her troubled mother, Headwinds sets Jocelyn on a darker course. In a race to discover her antagonist before she can be disempowered, Jocelyn must confront the questions all people face: Why is it so hard to be a good person? And how do you know when love is real?
